Research Interests

Matching Theory and Market Design; Game Theory and Mechanism Design; Information Design.

Education

2017–2025 **Ph.D. in Economics**, Shanghai University of Finance and Economics.
Dissertation: *Essays on Dynamic Stability in Matching Models.*
Supervisor: Sambuddha Ghosh.

2013–2016 **Master's in Quantitative Economics**, Shanghai University of International Business and Economics.

2008–2012 **Bachelor's in Psychology**, Minor in Economics, Yanbian University.

Publications

1. **Zhang, L.** (2025). "The Properness of Weak Stability Notions." *Economics Letters*, **247**, 112163.
2. Chen, Y., Jiao, Z., Zhang, C., and **Zhang, L.** (2025). "Some New Characterizations of Top Trading Cycles." *Journal of Mathematical Economics*, **121**, 103190.

Papers Under Review

1. **Nash Implementation of Dynamic Matching Rules.** Sole-authored. **Revise and resubmit**, *Mathematical Social Sciences*.
2. **Rank-Dependent Preferences in School Choice.** With Guihua Fu, Xu Lang, and Jie Zheng. **Revise and resubmit**, *Games and Economic Behavior*.

Working Papers

1. **Multi-Period Matching with Externalities.** With Sambuddha Ghosh. **Job Market Paper**.
2. **Instantaneous Stability and the Dynamic Matchmaker Game.** With Sambuddha Ghosh.
3. **Strategic Commitment and Legal Enforcement in Dynamic Matching.** With Jie Zheng.
4. **Dynamic Matching with Commitments.** With Mu Zhang and Jie Zheng.
5. **School Choice with Positional Contest.** With Yongchao Zhang and Jie Zheng.
6. **Major Choice with Priority-Determined Positions.** Sole-authored.
7. **Reputational Attribution, Retention, and Expert Communication.** Sole-authored.

Research Funding

Sep. 2025–Sep. 2027 **Principal Investigator**, Shandong Provincial Postdoctoral Innovation Talent Program (Seed Program).

Research and Teaching Experience

Sep. 2023–Jun. 2025 **Research Assistant**, School of Economics, Shanghai University of Finance and Economics.
Faculty collaborator: Qianfeng Tang.

Sep. 2021–Jan. 2022 **Teaching Assistant**, Advanced Microeconomics III (Ph.D.).
School of Economics, Shanghai University of Finance and Economics.
Instructor: Sambuddha Ghosh.

Sep. 2020–Jan. 2021 **Teaching Assistant**, Topics in Advanced Microeconomics (Ph.D.).
School of Economics, Shanghai University of Finance and Economics.
Instructors: Quan Wen, Yongchao Zhang, and Qianfeng Tang.

Mar. 2019–Jul. 2020 **Teaching Assistant**, Game Theory and Information Economics (undergraduate).
School of Economics, Shanghai University of Finance and Economics.
Instructors: Seokjong Ryu and Cuihong Fan.

Mar. 2019–Jul. 2020 **Teaching Assistant**, Mathematical Analysis III (master's).
School of Economics, Shanghai University of Finance and Economics.
Instructor: Daohan Qin.

Sep. 2013–Jan. 2014 **Teaching Assistant**, Advanced Microeconomics I (master's).
International Business School, Shanghai University of International Business and Economics.
Instructor: Huiwen Li.

Additional Professional Experience

Apr. 2016–Apr. 2017 **Junior Researcher**, Shanghai Hundsun JuYuan Data Service Co., Ltd.

May 2015–Aug. 2015 **Credit Risk Management Intern**, BASF (China) Co., Ltd.

Sep. 2012–Aug. 2013 **Matchmaking Customer Service**, Shenzhen Zhenai Network Information Technology Co., Ltd.

Sep. 2010–Feb. 2011 **Mental Health Teacher**, Helong No. 7 Middle School, Yanbian, Jilin.

Academic Service and Leadership

- **Referee**, *Journal of Economic Behavior & Organization* (JEBO).
- **Class President**, Economics Ph.D. Program, Shanghai University of Finance and Economics, 2018–2020.

Honors and Awards

- **Outstanding Student Award**, Shanghai University of Finance and Economics.

Skills

Languages	Mandarin Chinese (PSC: Level 2-A); English (CET-6: 549).
Qualification	Psychological Counselor (Level 3).
Software	LaTeX, Mathematica, MATLAB, MySQL, Stata.
